

aromabotanical CRYSTALS

Citrine crystals, also known as the “Light Maker,” radiate positive energy, helping revitalize and uplift the mind and spirit.

Fresh citrus top notes of grapefruit and lemon enhance the refreshing herbal heart of peppermint and rosemary with a warm juniper base.

Amethyst crystals have healing properties, which can inspire feelings of relaxation and inner peace. Fresh citrus top notes of bergamot add to a soothing herbal and floral blend of lavender, rose geranium, and rosewood.

Rose Quartz promotes friendship, self-love, and romantic love, and can help restore harmony within relationships. Top notes of almond oil and orange complement a sweet floral heart of ylang ylang, rose geranium, and palmarosa, with woody base notes of sandalwood and patchouli.
